What's new?

Chocolate Cricket Clusters! New product by TAP graduate company Prairie Cricket Farms

We love local and even more local collaborations!
Check out this new product by Prairie Cricket Farms. It's a mix of their crunchy dehydrated crickets with the delicious chocolate from Decadence Chocolates. It's sure to steal the show this summer!

The Chocolate Cricket Clusters will be hitting store shelves and their website soon but if you can't wait to try them out, visit Prairie Cricket Farms on Instagram [here](#), and DM them to order!

Want to learn more about this amazing company? Watch this video to see how Prairie Cricket Farms produce their delicious cricket snacks and protein powder!

Partner Events

CULTIVATE: Sustainability Conference and Trade Show.

By Food & Beverage Manitoba

The food and beverage processing and manufacturing industry is at a crossroads. Changes in environmental regulations, packaging restrictions, supply chain disruptions are all set to change how the industry operates.

CULTIVATE brings together thought leaders and innovators from across the food and beverage spectrum for a day of knowledge sharing and engagement including speakers, workshops, and a trade show.

The event will be in-person at the RBC Convention Centre in Winnipeg, MB on September 7, 2022

Programs

World Trade Center Winnipeg is planning a **Trade Accelerator Program (TAP)** cohort on October 19th, 2022 for businesses looking to be **EXPORT-READY**.

TAP helped more than 1700 companies across CANADA expand their businesses and export their products and services by providing them with the right tools, resources and contacts.

Success Stories

M&C Commodities expands exports through TAP program

A local agri-food company has sowed the seeds for success, and now opportunities are cropping up to cultivate connections in international markets.

M&C Commodities has earned a reputation as a leading agri-food seed processing company focused on crafting high quality feed as well as food for humans and animals around the world.

The Manitoba-based company expanded in 2017 to establish its food-grade brand called Melo's Finest, offering a healthy and...
